Description

Restart operates as a business embassy for the diaspora. We handle business requests and facilitate investments coming from the diaspora network and their contacts around the world. Restart aims to serve entrepreneurs, businessoriented individuals, and municipalities in Bosnia and Herzegovina needing better international networks, a better information base, as well as consulting regarding direct and indirect investments. Restart reaches out also to all other members of the Bosnian diaspora who desire to directly take part in the economic and social transformation of their homeland. Organization Type Nonprofit organization, Email office@restart.ba Country Bosnia-Herzegovina City
